THE UNIVERSITY OF
MELBOURNE

Honours Scholarships 2008

Research Groups

Applications are invited from outstanding interstate students for two prestigious Honours (4th year) scholarships. The value of each scholarship is \$5,000. The closing date is 14 December 2007. These School of Physics scholarships may supplement a University of Melbourne Honours Scholarship (HECS exemption plus \$2000).

The scholarships are intended to provide an opportunity for students residing outside of Victoria to undertake an Honours degree with a research project in the Research Groups of the School of Physics as indicated above, areas of research which may not be available at their current institutions.

Applicants must be Australian residents.

Applicants are encouraged to discuss supervision of possible research projects with academic staff in the research group(s) of interest before applying. Applications should take the form of a CV, including an academic record and also indicate a potential supervisor and research group. Applications may be submitted by e-mail.
