Resources available for Postgraduate Research Students

The University of Melbourne has established guidelines on PhD candidature for departments, supervisors and candidates, and seeks to continually improve supervision and academic support. See [http://www.research.unimelb.edu.au/postgraduate/infrastructure.html](http://www.research.unimelb.edu.au/postgraduate/infrastructure.html)

This document details the facilities and resources available for postgraduate research students within this department.

OR This document lists the key facilities and resources available for postgraduate research students within the department. For detailed information please go to (link to current departmental postgraduate handbook or site where/if detailed information is housed)

**Name of Department, School or Centre**

| Physics |

Number of PhD students enrolled at 31 March 2004 | 62 |
Number of Research Masters students enrolled at 31 March 2004 | 10 |

Name of Postgraduate Coordinator and contact details

| A/Prof Les Allen, email: l.allen@physics.unimelb.edu.au, phone: 8344-7402 |

Name of Postgraduate Administrator and contact details

| Miss Cilla Gloger, email: c.gloger@physics.unimelb.edu.au, phone: 8344-5124 |

**Information for students:**

- **Induction session**

**Select one or more**

- **Postgraduate student handbook/website**

**Building Access:**

- **24 hour access with key/swipe card**

**Select one**

- **Business hour access only**

- **Other arrangements – please specify**

**Working space**

- **Total number of desks available**

**Arrangements**

- **Single desk per student**

**Select one or more**

- **Allocated desks shared between students**

- **Communal research student work areas**

- **None provided**
Usual storage provision

- [ ] Lockable cupboard or locker

*Select one or more*
- [X] Bookshelves available
- [ ] None available

**Computing**

Total number of computers (< 4 years old) available for research students: [As required]

- [X] Single computer per student
- [ ] Machines shared by particular students
- [ ] Dedicated postgraduate computer lab
- [ ] Other arrangements – please specify

**Software available for student use**

- All required software is available

**Resources** *(provide details and applicable departmental limits)*
